

Wishek Area
Dollars for
SCHOLARS®
A Program of Scholarship America®

The Wishek Area Dollars for Scholars is a program that helps provide and facilitate scholarships for our students. Our program also encourages scholarship donations and sponsorships. We want to be able to award recipients scholarships based not only on their merits, but on criteria set forth by the scholarship sponsor, if you desire.

You will find an explanation of donation possibilities as well as a sponsorship application. We, WADFS, ask that you read through the information. A member of the board will assist you with your donation and any questions you may have.

We thank you for your generous support of Wishek Area Dollars for Scholars Chapter. We would not be able to award well deserving students scholarships without your contributions.

Board members are available for any questions you may have. Please feel free to contact any member.

C. Annual funding: Scholarship annually funded by donor. Amount determined by the donor with \$500 being the minimum.

D. One time donation: Donor funds a onetime scholarship. \$500 minimum
